

Net-Sec mini letter
Issue 14 - 24.05.2000
<http://net-security.org>

Help Net Security is planning to introduce support for some rather new technologies and to give more support and content to it's visitors. Please take a moment to complete this anonymous survey to help us provide better service. BTW, the survey has just 5 questions, and you give just "yes" or "no" answers :)
